

# APRIL 13TH, 2017

## NEUROBIOLOGY OF TRAUMA

### KEY NOTE SPEAKER – DR. JANINE D'ANNIBALLE

Dr. Janine D'Anniballe is a licensed psychologist and a nationally recognized expert who specializes in the areas of neurobiology of trauma, vicarious trauma and treatment for survivors. Her expertise, professionalism, and presentation style have made her a highly sought-after trainer. Her workshops have been described as dynamic, inspirational, and impactful. One of Dr. D'Anniballe's strengths is her ability to present challenging and complicated material in an understandable and interesting way - engaging her audience with mix of research and real life clinical examples.
